## EDUCATION

September 2011 – June 2014  
Master of Architecture  
University of California Los Angeles  
September 2006 – June 2010  
Bachelor of Science in Architecture  
The Ohio State University, Knowlton School of Architecture  
Cum Laude with Distinction in Honors

## CONTINUING EDUCATION

Sustainability  
Complete over 30 LEED continuing education credits annually  
Professional  
Attended 2017 AIA Conference  
Completed over 100 AIA Learning Units including over 50 Health, Safety and Wellness units since 2015  
Passed four Architecture Registration Examinations  
Technology  
Attended 2016 Autodesk University taking over 12 courses on latest technologies  
Completed Autodesk REVIT courses on fundamentals, beyond the basics, and families

## LANGUAGE

## AWARDS / PUBLICATIONS

July 2014, Project featured in Truck-A-Tecture Exhibition in KANEKO  
Published in web magazines: designboom, Archintect, design-milk, Fast Company, web urbanist, tree hugger, Pop Up City, psfk, BuzzBuzzNews, archpaper  
October 2013 / 2012, UCLA AUD Continuing Student Fellowship  
August 2012, Design selected for Public Works BDC Intern Design Charette  
May 2010, May 2009, AIA Columbus Award  
May 2010, James Gui Competition Finalist

## VOLUNTEER EXPERIENCE IN CONSTRUCTION

July 2013, Global Brigades, El Canton and Santa Rosa, Honduras  
Design + Construction Volunteer; Collaborated with the villages of El Canton and Santa Rosa to design and construct medical and educational facilities.  
August 2010 – July 2011, Habitat for Humanity International, East Bay, CA  
AmeriCorps Construction Crew Leader; Led, trained, and supervised crews of over 20 volunteers daily in all phases of construction from foundation to framing to finish work of LEED platinum certified homes across the East Bay.  
July 2011, Habitat for Humanity Global Village, Dominican Republic  
Construction Volunteer; Volunteered in the construction of two homes.

## TRAVEL

China, Tianjin University Exchange Studio  
Central Europe, Research Studio  
London, Architecture Study Abroad  
Honduras, Global Architecture Brigades  
Dominican Republic, Global Village Build  
United States, Habitat for Humanity Build  
Omaha, NE, Truck-A-Tecture Exhibit  
Black Rock City, NV, Burning Man

## PUBLIC WORKS INVOLVEMENT

Core Values Facilitator  
Led discussions on Public Works core values: Respect, Integrity, Responsiveness  
Graphics and Design Committee Champion  
Lead organization of monthly project presentations and office report-outs; Led re-design of office collaboration and break rooms including interior renovation and office furniture; Created Public Works BDC and IDC portfolio for client-wide distribution in both print and web versions; Redesigned office templates for presentations, client meetings, and civic design reviews;  
Colleague Training  
Created in-office laser cutter training course and trained over 25 colleagues; Co-lead in-house EXP and Architect Registration Exam study groups.  
Strategic Plan Champion  
Object 2A; Research and submit applicable projects for award opportunities.
